

Jerry Reeves, MD
Corporate Vice President Medical Affairs, *HealthInsight*

Summary

Dr. Jerry Reeves is Corporate Vice President of Medical Affairs of *HealthInsight* in Nevada, Utah, Oregon, and New Mexico, where he is responsible for clinical oversight and guidance for the quality and patient safety work performed. Dr. Reeves is very involved in the community, working with numerous providers and stakeholders to improve care. He chairs the Nevada Partnership for Value-Driven Health Care (NPV), *HealthInsight* Nevada's regional health improvement collaborative and AHRQ-designated Chartered Value Exchange. NPV priorities include 1. Expanding community health improvement collaboratives, 2. Improving care coordination, 3. Engaging consumers in better self-management of their conditions, and 4. Expanding Nevada's clinical work force. Dr. Reeves also chairs Nevada's multi-stakeholder Improving Diabetes and Obesity Outcomes (iDo) Council.

Outside of *HealthInsight*, Dr. Reeves consults nationally on health benefits design, wellness and health management services for health plan sponsors and coalitions. He is Principal and Medical Director of wellPORTAL LLC, a patient centered medical home network and Medical Director of Health Services Foundation promoting health and well-being among union health plan members.

Dr. Reeves previously served as Chief Health Officer for Consumer Owned and Operated (CO-OP) Plans in South Carolina and Tennessee, Chief Medical Officer of Hotel Employees and Restaurant Employees International Union (HEREIU) Welfare Funds, CEO and Chairman of WorldDoc Inc., Chief Medical Officer of Humana Inc. and Sierra Health Services Inc., and as Chief of Clinical Medicine at USAF Headquarters in Europe. He served two terms on the Board of Health of the State of Nevada and as Associate Dean, Managed Care, for University of Nevada School of Medicine. He is board certified in Pediatrics, Pediatric Hematology-Oncology, and in Medical Management. He has more than 20 years of experience delivering primary and specialty care. He has authored more than 50 publications, been an editor for three professional journals, and served on the faculty of three medical schools.
