

Dr. Griffin received his medical doctorate and masters of health administration from the University of Washington. He completed training at the Family Medicine of Residency of Idaho Rural Training Program. Dr. Griffin previously served as a practice physician and Vice President of Innovation at St. Peter's Hospital and Medical Group in Helena and currently is Medical Director at Blue Cross Blue Shield of Montana. He also maintains a solo, private practice as medical director of two skilled nursing facilities in Helena. Dr. Griffin also now serves as President Elect of the Montana Medical Association and on the Board of Directors at Mountain Pacific Quality Health Foundation. He is actively involved with several community-based healthcare improvement efforts across Montana with emphasis on value based care program development and health information systems integration.

**Jonathan Griffin, MD, MHA**

Medical Director

Blue Cross Blue Shield of Montana

O: 406-437-6455
